BLOOMSBUILD. Fa. May 9—
Mrs. I. K. Miller and Mrs. Eva Euppert of this place have an Easter egg dated 1829. They also have a large collection of eggs beautifully eiched with names of persons of several generations ago. Some of the eggs bear the dates of 1840, 1844, and 1847. They are in excellent state of preservation.

## FIREWORKS IN WARFARE

Comparatively few persons realize, I suppose, that fireworks almost identical with those we used to set off on the Fourth of July are utiliminated by a midday sun Standing Wednesday.

If on the Fourth of July are utilized in aerial warfare and form a valuable and offer vital asset for the southwestern congress of the Salvation Army will convene in Dailas on Salvaton, May 10, to be in consider through Wednesday, May 14, are used for signailing from the air asset for the pyrotecinics resemble in their effects the colored lights and the colored lights and the colored lights and the formissioner Thomas Earill of this care used for signailing from the air at the same time For this purchase and his party will arrive on Saturday at 9.15 a. m. "Pa" and some every active service airplane. Saturday at 9.15 a. m. "Pa" and pose every active service airplane "Ma" Burdick just arrived from depending upon the number of the crew. These rather formidable appears to the guished guests.

The first morning that the deleter partial weapons are similar to the very pistors used in the trenches:

their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in their ammunition consists of carbinates are in Dallas will be spent in the carbinates are in Dallas will be spent in the carbinates are in Dallas will be spent in the carbinates are in Dallas will be spent in the carbinates are in Dallas will be spent in the carbinates are in Dallas will b the afternoon the young women's and the necessary powder charge t hoster at 1.718 Coralcana street will speed the stars. Three colors red green and white, are firmlahed. By the formally opened. That evening different combinations of these colafter an open air meeting to be held ore an almost endless variety of sig-
